Parallel to her sculptural work, Bedenbaugh has recently started painting as an exercise in play and intuition. Her process is somewhat erratic, as she does not limit herself to one particular medium. She uses everything from clay to wire, paint, paper, and found or discarded objects and loves nothing more than elevating an ordinary object by giving it an integral role in her work. **Ongoing** - Art & Light Gallery is a woman owned and operated fine art gallery that has been bringing incredible artistic talent to novice and seasoned collectors alike since 2007.
