The gallery serves the regional community in the Carolinas by representing exceptional local artists and also carries original work by internationally renowned artists. Its location in Calabash, North Carolina gives the gallery an advantage over many in major metropolitan areas. The large 10,000 square foot gallery offers the very low overhead of a gallery-owned facility in a cost-efficient location. Online reach has made this possible. It allows Sunset River to provide excellent works from the 20th Century Modern and Contemporary categories at better pricing than high-overhead galleries. New owner Larry Johnson from Bethesda, MD, has bought and sold art through major and middle-market auctions around the world for two decades. He has been an amateur painter and sculptor for years, achieving a minor in fine art from Purdue University. The gallery has added a new 20th Century Art installation, featuring rare and valuable fine and modern art, primarily impressionist and abstract.
