Work by Burk Uzzle, "Woodstock Album Cover"

Burk Uzzle Studio, 106 Douglas Street E, Wilson. **Ongoing** - Burk Uzzle's career, like his pictures, is a nuanced composition blending American culture, individual psyches of particular places and people, and an atypical way of seeing ourselves, our values, and our community. Always respectful yet locating the poignant or quirky, the history of his narrative belongs to all of us. Initially grounded in documentary photography when he was the youngest photographer hired by "LIFE magazine" at age 23, his work grew into a combination of split-second impressions reflecting the human condition during his tenure as a member of the prestigious international Magnum cooperative founded by one of his mentors Henri Cartier-Bresson. His archive spans almost six decades. His current work rests deep in photographic appreciation of the quiet, strong, and eloquent beauty he discovers in America's small towns and its people. It is along small back roads, limned with feelings and a surety of surprise for the heart wide open, that continue to support his understanding of how America keeps its personality out on a limb. Uzzle's current bodies of work (some of which are African-American) are artful and constructed reflections of his subjects. His hope is for a graphic presentation of something universal within the particular, and all the better when involving a gentle chuckle and knowing smile. He is represented by SOCO Gallery in Charlotte, NC and Tracy Morgan Gallery in Asheville, NC. Hours: by appt. Contact: 252/363-1812 or e-mail to (burk@burkuzzle.com).

The Iconostar sculptures are made from a variety of materials including, glass tile, stones and crystals, watches, drawer handles, sea shells, miscellaneous found objects, and love. Their bases are made from foam, PVC pipes filled with sand, rebar, wood, glue, grout and more. Hours: Thur., noon-10pm; Fri. & Sat., noon-6pm; or by appt.
