Good Art Co. is located on Central Avenue in Greenville, SC. Located in the heart of Greenville, Good Art Co. is a collaborative creative space and 501c3 Nonprofit that fosters camaraderie and builds culture by bringing great local artists + makers together to inspire, engage and educate our community. Good Art Co. was founded by two creatives that couldn't find the do-it-all "unicorn" of a studio space they wanted, so they decided to build their own - and quickly realized that the art world itself could be less siloed and more approachable to all.
